About Us

Vision Statement
We, the NGO Committee on Social Development, are dedicated to promoting a people-centered development through the United Nations.

Every person, every people, every nation has a part to play in building a peaceful and prosperous global society.

What We Do
The NGO Committee on Social Development (NGO CSocD) holds monthly meetings for discussion, planning, and networking. We draft position papers, visit missions, and work with UN agencies to highlight the importance of people-centered development. The NGO CSocD hosts events year-round, including interactive and educational side events at UN commissions and meetings, as well as advocacy-related Breakfast Meetings. With UN DESA-DSPD and Friedrich Ebert Stiftung (FES) it also coordinates the annual Civil Society Forum which precedes the UN Commission for Social Development, preparing civil society organizations for the commission meeting.

Activities
CSocD also engages with the following UN bodies and processes:

- High Level Political Forum (HLPF)
- UN Commission on Social Development
- Sustainable Development Goals
- Post-2015 Process
- The General Assembly’s Third Committee
- The UN Economic and Social Council (ECOSOC)
- Other UN Commissions such as the Commission on the Status of Women.
